Sphinx Stone

Ontdek de mystieke schoonheid van Moeder Aarde zelf, als uniek resultaat van een miljoenen jaren oude geografische kringloop waarop ijsstijden, klimaatveranderingen, planten en dieren voor eeuwig hun stempel drukten. Ongeëvenaarde vormgeving, met moderne technologie vertaald naar hoogwaardige keramische tegels. De natuurlijke kleuren, dieptewerking en reliëfs maken de SPHINX STONE geschikt voor klassieke én moderne toepassingen, zowel binnen als buiten.

Discover the mystical beauty of Mother Earth herself: the result of an ancient geographical cycle shaped by ice ages, climate changes, plants, and animals. We harness modern technology to turn unmatched designs into high-quality ceramic tiles. The natural colours, depth effect, and reliefs and textures make the SPHINX STONE perfect for both modern and classic interior and outdoor designs.
