Sphinx Terrazzo

De rijke Terrazzo-traditie heeft haar oorsprong in het vijftiende-eeuwse Venetië, waar arbeiders hun terrasvloeren verstevigden én verfraaiden door kiezel of ander natuurlijk materiaal in het verse beton te storten. Door het intensief belopen van de vloer werden de steentjes vanzelf gepolijst en gaven ze steeds meer van hun natuurlijke schoonheid prijs. Met *Royal Collection Terrazzo* brengt Sphinx Tegels een oprechte ode aan dit stukje cultureel erfgoed dat inmiddels onlosmakelijk is verankerd in de Italiaanse kunstgeschiedenis. Vanzelfsprekend is *Royal Collection Terrazzo* geschikt voor zowel binnen- als buitentoepassingen.

The rich Terrazzo tradition originated in fifteenth-century Venice, where workers reinforced and embellished their terrace floors by pouring pebbles or other natural materials into fresh concrete. The small pieces of stone were naturally worn down and polished by the intensive use of the floor, revealing more and more of their natural beauty. In *Royal Collection Terrazzo*, Sphinx Tiles is paying a sincere tribute to this piece of cultural heritage, inextricably linked with Italian art history. Naturally, *Royal Collection Terrazzo* can be used both indoors and outdoors.
