Sphinx Marbles

Reeds sinds de klassieke oudheid staat marmer symbool voor status, puurheid en onsterfelijkheid, met als ultiem bewijs de onuitputtelijke bron van kunstschaten die de oude Grieken en Romeinen ons nalieten. In het begin van de 16e eeuw reisde Michelangelo naar verluid speciaal vanuit Florence en Rome naar de beroemde groeves bij Carrara, om daar de mooiste blokken van zijn geliefde gesteente uit te zoeken. Na diverse minimalistische stromingen in de afgelopen decennia, is marmer weer helemaal terug in ons hedendaagse interieur: we mogen weer rijkdom uitstralen. Onze nieuwe serie Sphinx Royal Collection MARBLES sluit naadloos aan bij deze behoefte en staan garant voor hoogwaardige kwaliteit, luxe én onderhoudsgemak.

Ever since the classical age, marble has symbolized status, purity, and immortality, with the inexhaustible source of art treasures left to us by the ancient Greeks and Romans being ultimate proof of this. At the beginning of the 16th century, Michelangelo is said to have travelled from Florence and Rome to the famous quarries near Carrara specifically to select the most beautiful blocks of his beloved rock. In the wake of various minimalist movements in recent decades, marble has made a resolute comeback to contemporary design – opulence is back in. Our new range of Sphinx Royal Collection MARBLES is the perfect response to this development and guarantees high quality, luxury, and ease of maintenance.
